**Lecture topics repeat.** If you are enrolled in our **Classroom Course**, you may attend as many or as few lectures as you like until you are comfortable with your understanding of the subject. We recommend attending 2 series of lectures (equal to 10 lectures) to hear each topic twice and best retain the information. Each lecture is independent, so you do not need to attend the lectures in any particular order.

Lectures are held at  
576 B Street on the 2nd Floor,  
Santa Rosa, CA 95401  
(corner of 10th and B Streets across from  
St. Rose Catholic Church downtown).
